Birthday Party

Catalog

Magical Party Foundation

\$375

For 2 hours of fun!

Due a least 7 days prior to the event

*No changes made after
this payment*

Deposit = 50 % paid upfront (to secure the date)

	Creator Stations	Description	Good for Ages	Good for:
The Party foundation consists of these three activities	Drawing Table	A party table – set up with colorful markers, stickers, post cards and envelopes, where children may come and go as they please.	2 +	6 to 10 children
	Activity Circle	We will wake up our bodies, breath dragon breaths and dance like monkeys (or whichever animal inspires us to move). We will use our imaginations along with our bodies to have 25 - 30 minutes group movement, laughter and fun! This circle can also be an interactive board story where guests participate in an in the moment hand drawn story on a dry erase board.	2 +	
	Choose a station from the \$75 section	This project will be included in the \$375 party foundation fee.	tbd	

Have more than 10 guests?

Please scroll and choose a couple more stations to add to your party!

Amanda Lin is available to answer any questions you have and help you decide which station would be the best fit for your party!

\$75

Creator Stations

	Creator Stations	Description	Good for Ages	Space at the table for:
Water Color Painting	Water color painting basics	Basic Water color painting station with pallets & watercolor paper	2 +	6
	Bubble blowing prints	Children blow bubbles in a dish (filled with food coloring and soap) and can make prints of those bubbles with paper.	2 +	4 to 6
Acrylic Painting	Car painting (or dinos / animal figurines)	Acrylic painting, dramatic play and color science are combined when children use cars/dinos/ figurines or marbles to paint with the primary colors. (Grown ups may need to assist in labeling and hanging up wet art - a drying and labeling tools will accompany this project)	2 +	6
	Bubble wrap prints	Using primary colors children will paint on bubble wrap and make prints of their amazing art. This is a well rounded sensory experience.	2 +	6
Collage	Collage art	A diverse and generous amount of collage materials (including paper, textiles, and found objects) will be available to create masterpieces with glue (both liquid and stick) on cardstock.	2 +	6
	Mod Podge tissue paper jars	Children get to create their own stained glass jar with tissue paper, mod podge & sparkles.	2 +	6
Edible	Cheerios bracelet making	This project is a favorite among the 2-5 year old's as they create edible cheerios & fruit loop bracelets.	2 to 6	6 to 8
Sensory Play	Fake tattoo parlor	At our fake tattoo parlor children can put on their own tattoos & come and go as they please. Tattoos match the party theme & child's interests.	2+	6 to 8
	Bubbles wands & rope bubbles	This station is perfect for a park or a grassy back yard where children can experiment with bubble sizes, movement and collective play.	2+	4

\$100

Creator Stations

	Creator Stations	Description	Good for Ages	Space at the table for:
